Faces of You ©

Everywhere I turn
I see your Face.
Your Face follows me wherever I go
Whenever I close my eyes I see your smile
I can hear your laughter
I can feel your pain
You are proud and misunderstood
And your love for mankind....no one will ever know
But your secret will always stay with me
For our secret is only for my ears to hear
The hands of an anointed angel is what you will always be to me.
You are looking down on us now
Tell me what you see... and send that drawing to me.
I will always see your smile.
So please come back home and return to me.....
